Convention on the Rights of the Child

Fourth periodic report of the Kingdom of Cambodia

This report is due on or before 13 November 2009.

In accordance with article 44, States parties are under a legal obligation to report regularly on measures taken to implement the provisions of the Convention. Initial reports are due within two years of the date in which the Convention entered into force in the country, with subsequent reports due every five years thereafter.

The Committee on the Rights of the Child has requested States parties with reports overdue to submit their reports without delay.

The Kingdom of Cambodia submitted its initial report in 2000. The Committee only allows multiple overdue reports to be combined in exceptional circumstances and with the prior agreement of the Committee.
